## Five Important Questions

1.) The Board says they never add any conditions of release at your reviews is this true please comment?

N/A. Have not been allowed to see the board due to sentencing stipulations requiring me to complete a prerelease before I am parole eligible. I tried to see them to get a prerelease recommendation like the screening committee requested I do the first time I appeared before them, but they refused to see me.

2.) The Board says they don't flop you for more than 3 years. If you were flopped 3 years or more please comment?

3.) The Board says they parole 500 prisoners a year, when they send you to PRC,

Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also if they say parole upon completion of ITU or SO treatment how long does it take to

get into any of those classes? I have been waiting since February of this year to go to a PRC, and have not been accepted yet. My application has gone around once and because no PRC accepted me, DOC policy now requires me to wait 120 days before resubmitting my application.

4.) The Board and DOC say you go to parole school and they help you put together a plan they also say you have a mock hearing to get you prepared. Ed Foley said he or IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to you what just happened in there. Is any of this true please comment on your

experience? My case manager a MSP did help me put my plan together asking the Parole Board for a PRC recommendation. We also put in the parole plan that the first screening committee requested that I see the board, but they still denied to see me. Ed Foley was contacted by my case manager and she explained the situation and he allowed me to see the committee again, which he served on, and the second time, they allowed -

5.) The Board says you and your families and witnesses can testify at your hearings and

that all of you are treated fairly and with respect please comment? - N/A.

- me to send my application through. However, if no PRC picks me up, I will be required to discharge my sentence because I have no other allowable parole options.

### Five Important Questions

- 1.) The Board says they never add any conditions of release at your reviews is this true

please comment? I WAS TOLD PAROLE UPON COMPLETION OF BOOTCAMP, BOOTCAMP AFTERCARE AND PRERELEASE EVENTHOUGH I AM ALREADY GROUP COMPLETE WITH OVER A YEAR OF CLEAR CONDUCT, GROUPS INCLUDE CHEMICAL DEPENDENCY, RELAPSE PREVENTION, ANGER MANAGEMENT, CP&R-3, CP&R-1, THE MAKING IT WORK PROGRAM. I REFUSE TO GO TO BOOTCAMP JUST TO REDO ALL MY GROUPS ALL OVER AGAIN.

- 2.) The Board says they don't flop you for more than 3 years. If you were flopped 3

years or more please comment? THE PAROLE BOARD SAID IF I DO NOT TAKE THE OFFER OF BOOTCAMP THAT I WOULD SIMPLY GET A ONE YEAR FLOP AND EVEN THEN THERE WOULD BE NO GUARINTEE EVEN AFTER A YEAR OF ANY OTHER OPTION, I JUST DONT SEE HOW THE PAROLE BOARD CAN TRY TO FORCE A VOLUNTEER PROGRAM ON SOMEONE WHEN THERE ARE MANY OTHER OPTIONS LIKE PAROLE, PRERELEASE AND CONDITIONAL.

- 3.) The Board says they parole 500 prisoners a year, when they send you to PRC,

Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also

if they say parole upon completion of ITU or SO treatment how long does it take to

get into any of those classes? IT CAN TAKE MONTHS TO GET INTO TREATMENT SUCH AS I.T.U AT M.S.P AND EVEN LONGER AT THE REGIONALS AS IT TOOK MYSELF ALMOST 14 MONTHS TO GET THE ONES I NEEDED COMPLETED, FURTHERMORE I HAVE WITNESSED HOW SOME GUYS HERE WAIT MONTHS TO LEAVE AFTER GETTING PAROLED OR I.S.P, DO TO LAZY I.P.P.O

- 4.) The Board and DOC say you go to parole school and they help you put together a plan they also say you have a mock hearing to get you prepared. Ed Foley said he or

IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to

you what just happened in there. Is any of this true please comment on your

experience? FALSE THAT IS A FLAT OUT LIE! EVERY TIME I HAVE GONE IN FRONT OF THE PAROLE BOARD OR THE PRE-RELEASE SCREENING COMMITTEE AND EVERY THING WAS PREPARED AND PRESENTED BY ME AND NO ONE ELSE, ALSO I WAS NEVER GIVEN A MOCK INTERVEIW OR HELP OF ANY KIND AND WHEN I WOULD KITE ABOUT A QUESTION THE I.P.P.O WOULD ALWAYS PASS THE BUCK OR TELL ME NOT TO KITE ANYMORE.

- 5.) The Board says you and your families and witnesses can testify at your hearings and that all of you are treated fairly and with respect please comment?

NEVER HAD ANYONE ON MY BEHALF N-A.

### Five Important Questions

- 1.) The Board says they never add any conditions of release at your reviews is this true please comment?

Not true if I would get released they say I wait to take Angel Mgt, CP-R, CD EVAL, why and what for took the classes I don't know how many times and I discharge on (JAN 6<sup>th</sup>, 2015)

- 2.) The Board says they don't flop you for more than 3 years. If you were flopped 3 years or more please comment? Don't have enough time.

- 3.) The Board says they parole 500 prisoners a year, when they send you to PRC, Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also if they say parole upon completion of ITU or SO

treatment how long does it take to get into any of those classes? First question there is no

way they parole 500 prisoners a year they flop almost everybody and if approved for a program you wait about 120 days or more before going. I wait about 120 or more before you get into that class not sure why.

- 4.) The Board and DOC say you go to parole school and they help you put together a plan they also say you have a mock hearing to get you prepared. Ed Foley said he or IPPO goes to your hearing with you and

after your hearing Ed or IPPO explains to you what just happened in there. Is any of this true please

comment on your experience? I would say not true nobody helps you prepare

and they don't explain anything to you after a hearing but my experience they just keep playing me, and I haven't got any good luck yet.

- 5.) The Board says you and your families and witnesses can testify at your hearings and that all of you are treated fairly and with respect please comment? maybe or maybe not, what I have

seen and heard in 2012, 2013 the board didn't care at all what you firmly said at your hearings, and there was no respect at all. And they wouldn't let you speak at your hearing they were in a huff so they would say you are flopped for a year or more reason why to high risk to take the most common thing they say everytime even pre-release's crazy Hub.

### Five Important Questions

1.) The Board says they never add any conditions of release at your reviews is this true please comment?

2.) The Board says they don't flop you for more than 3 years. If you were flopped 3 years or more please comment?

3.) The Board says they parole 500 prisoners a year, when they send you to PRC, Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also if they say parole upon completion of ITU or SO treatment how long does it take to

get into any of those classes? When the board gave me F/m Worker upon acceptance from a pre-release, they all denied me twice, predominantly was denied for "unacceptable level for future criminal activity", with no other explanation on how to get acceptance in the future or what they are looking for. This occurred twice, which took 1 1/2 yrs for denial, with a wait for approx. 4 months to see them again. In a result with approved for 10 day furlough in Oct. 2011, released 1-3-12.

4.) The Board and DOC say you go to parole school and they help you put together a plan they also say you have a mock hearing to get you prepared. Ed Foley said he or IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to you what just happened in there. Is any of this true please comment on your

experience? The parole school part is true, however, only once have they done this for me and it was when I was first up for parole which was on 7/2006. And I haven't had one since. Not only have I changed, but, information has changed as well. Then there has never been a "mock" anything to guide us on any circumstance, which is very laughable. Because it sounds more like what they would think they do but clearly don't.

5.) The Board says you and your families and witnesses can testify at your hearings and

that all of you are treated fairly and with respect please comment? Only once has anybody been allowed to help me out by showing their support, and that person didn't know me that long nor mean much to me at the time. When my biological sister, god-sister, god-mother and friend of 7 years (at the time friend of 7 yrs) asked to show up for support and their interest in what goes on in one of these board meetings, they were denied. No given reason why they were denied when was asked by either of us.

Mrs. Rudd,

To explain all of this. I was at M.S.P and saw the board there, they bestowed Inmate worker upon acceptance from a prerelease. All P.R.'s denied me twice due to "unacceptable level for future criminal activity." ~~After~~ I took ruffly 1 1/2 yrs. (likely more) for the P.R.'s to deny my application. I petitioned for a 10 day furlough and was approved. I was finally released January 3<sup>rd</sup> 2011 to Billings, MT (four months after the house was approved). I was repeatedly denied the (5) jobs or potential jobs (all guaranteed) presented to my P.O. and my ninth day out I smoked marijuana and pissed dirty (I gave a U.A. & B.A. everyday). So I gave up (wishing I hadn't), it felt as if P.O. didn't want me out and was jerking me around. I went back to jail 1-13-11. I saw the B.O.P. 2-26-11 and was offered Bootcamp. I've had Grand Maul Seizures since 2-23-01. They didn't believe me (regardless of documents in my file) and told me to see a doctor, I saw M.S.P.'s nurse and she confirmed this imposition. I was flopped until discharge. 4 months later I was told I could go to prerelease as an ~~in~~ inmate worker, for personal reasons I denied going as an inmate worker. And I gave up doing good for the most part after I was flopped until discharge which is 4-5-14, so I've done all 10 yrs. of my sentence for robbery. I'll remain in contact with you when I get out. You should send this questionair to: Craig ~~Palmer~~ Plummer and Patrick Christin in Glendive Regional Prison (just a few whom was flopped under B.S. ~~circumstances~~ circumstances) that can help you out a lot with this.

## Board Informational Survey 2013

If you have been passed over for parole by the Montana Board of Pardons and Parole and meet the following criteria, please fill out this survey and return it to Connections.

I hereby assert that: I have completed all of my required courses. YES ☒ NO ☐ → Plus some extra  
I have over 6 months of clear conduct. YES ☒ NO ☐ → 8 years of clear conduct  
I have worked for 6 months or longer. YES ☒ NO ☐ → Always worked

I further assert that I would like to submit my individual case/experience to Connections to assist them in advocating for change in the corrections system.

Name Thomas Keith Larson AO# 2155271 DOB           

My crime was Deliberate Homicide 45-5-102(b) otherwise known as "Felonv murder"

I was sentenced out of yellowstone county, in the year of June 2008.

I was sentenced to a total term of 40 years with 10 years suspended.

My initial parole eligibility date was 3/20/2013. I saw the Board on 3/20/2013.

My parole was denied for the following reason or reasons. Objection by citizenry (which was my ex-wife's/codetendant's parents), Severity of the offense and release would lessen the offense

I have reappeared in front of the Board 1 times. I have had a progress review done by the Board on my case 0 times. The dates of my reappearance/progress review for my case have been on the following days/dates and the outcomes of those is as

### Five Important Questions

- 1.) The Board says they never add any conditions of release at your reviews is this true please comment? Have not had a review
- 2.) The Board says they don't flop you for more than 3 years. If you were flopped 3 years or more please comment? I have received a 6 year flop. The parole board member John Ward counted all my supporters (4) and ~~the~~ opposition (2) that were in the room, calling them all victims, and flopped me for 1 year for each for a total of 6. I could not fill that room with 30 or more supporters, what then? would I have been flopped for 30 years? All my clear conduct and prison conduct mattered little to the Parole Board.
- 3.) The Board says they parole 500 prisoners a year, when they send you to PRC, Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also if they say parole upon completion of ITU or SO treatment how long does it take to get into any of those classes? ~~Ass~~ Cannot comment.
- 4.) The Board and DOC say you go to parole school and they help you put together a plan they also say you have a mock hearing to get you prepared. Ed Foley said he or IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to you what just happened in there. Is any of this true please comment on your experience? I had my hearing at Great Falls Regional Prison. The only help I had was myself. I did get to review my plan that the case manager puts together, but I was not prepared for the hearing or taught how to present my plan. The board did not even ask me about my plan. Plus, the hearing was very short and ~~not~~ limited.
- 5.) The Board says you and your families and witnesses can testify at your hearings and that all of you are treated fairly and with respect please comment? at my hearing, it seemed that everyone was respectful, but it also seemed like the board was not paying attention to the testimonies of the supporters. Like there mind was made up before hand and nothing was going to change it.

### Five Important Questions

- 1.) The Board says they never add any conditions of release at your reviews is this true

please comment? They did not consider me for release on any release after

- 2.) The Board says they don't flop you for more than 3 years. If you were flopped 3

years or more please comment? They stated that I "present well" and that the circumstances of this crime and my last crime were identical and they wanted me to do more time. They were considering a 5 and 6 year flop.

- 3.) The Board says they parole 500 prisoners a year, when they send you to PRC,

Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also

if they say parole upon completion of ITU or SO treatment how long does it take to

get into any of those classes? I've never been paroled or accepted to a pre-release in my 13 years of doing time. I discharged a sentence, but never released.

- 4.) The Board and DOC say you go to parole school and they help you put together a

plan they also say you have a mock hearing to get you prepared. Ed Foley said he or

IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to

you what just happened in there. Is any of this true please comment on your

experience? Pre Parole School is a joke. They give you a packet

that has questions such as, where will you be staying, do you wish to waive the hearing, do you have a job etc. There is no "mock hearing". They did however explain to me that I got flopped for 3 years with no early consideration after the hearing.

- 5.) The Board says you and your families and witnesses can testify at your hearings and

that all of you are treated fairly and with respect please comment? I cannot say anything on this matter. As I had no one there.

### Five Important Questions

1.) The Board says they never add any conditions of release at your reviews is this true please comment? *no idk*

2.) The Board says they don't flop you for more than 3 years. If you were flopped 3 years or more please comment? *I went up for my 1st Parole Hearing after 14 solid years down (55 year sentence, none suspended). The guy that was there wanted to give me a 5 year flop - the woman disagreed. They went back & forth, and settled on 3 year flop.*

3.) The Board says they parole 500 prisoners a year, when they send you to PRC, Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also if they say parole upon completion of ITU or SO treatment how long does it take to get into any of those classes? *I've seen others wait months to get to PRC, etc, and years for groups.*

4.) The Board and DOC say you go to parole school and they help you put together a plan they also say you have a mock hearing to get you prepared. Ed Foley said he or IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to you what just happened in there. Is any of this true please comment on your experience? *I never got to go to pre-parole school, I got no help with a parole plan, no mock hearing, no explanation. I had 14 years down, about a year clear (3 1/2 before that), and a job, a house, options for in state or out of state parole, a large support system, and I got a 3 year flop.*

5.) The Board says you and your families and witnesses can testify at your hearings and that all of you are treated fairly and with respect please comment?

*Seven days before my hearing, I was asking about pre-parole school, and saw the ~~PRC~~ Case Manager, or maybe counselor. I was told that I had to notify 10 days before my hearing if family would be there. It was already 3 days too late! My mother eventually forced her way to the hearing, but was treated very rudely.*

## Five Important Questions

- 1.) The Board says they never add any conditions of release at your reviews is this true please comment?

*Not True. I asked for parole on completion of CD-ITU, They said I did not do "enough time" and told me I had to do not just 6 mo. pre-release, but extended pre-release and or inmate worker (1 year).*

- 2.) The Board says they don't flop you for more than 3 years. If you were flopped 3 years or more please comment?

*I was not flopped, as long as I agreed to the added conditions.*

- 3.) The Board says they parole 500 prisoners a year, when they send you to PRC, Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also if they say parole upon completion of ITU or SO treatment how long does it take to get into any of those classes?

*Still waiting.*

Ed Foley said he or IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to you what just happened in there. Is any of this true please comment on your experience?

*At BFRP, Mrs. Stevens sat with me and went over a parole plan for me. However the board ignored my parole plan, after care plan, letters of work/job and completion of CD 1-8 modules and CP:R III. They did not consider or discuss anything.*

- 5.) The Board says you and your families and witnesses can testify at your hearings and that all of you are treated fairly and with respect please comment?

### Five Important Questions

1.) The Board says they never add any conditions of release at your reviews is this true please comment?

No.. I had to do four groups that have now been recommended by any of the institutions, including substance program even though I have no DUI's or have never done drugs (?) meaning I have

2.) The Board says they don't flop you for more than 3 years. If you were flopped 3 years or more please comment?

flopped one, but now completion of only 2 programs (but still primary care)

3.) The Board says they parole 500 prisoners a year, when they send you to PRC, Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also if they say parole upon completion of ITU or SO treatment how long does it take to get into any of those classes? MIA but my cell

mate was released on probation in Sept. 13 - still here.

4.) The Board and DOC say you go to parole school and they help you put together a plan they also say you have a mock hearing to get you prepared. Ed Foley said he or IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to you what just happened in there. Is any of this true please comment on your experience?

Total lie!!!! (See attached) Our "parole" school consisted of 15 minutes, being handed a question page with three questions. No one explaining anything to me after my parole hearing.

5.) The Board says you and your families and witnesses can testify at your hearings and that all of you are treated fairly and with respect please comment?

Never

perfect timing. had your letter ready to go - and your's

Showed up. So added this :)

1) I do call myself an alcoholic or drug abuser, even though I am not. The Board is forcing me to admit to criminal or social activity that I was never apart of.

5) The board was totally disrespectful and did nothing but berate and belittle me. My parents were not allowed to make a statement, and I put together my own parole plan (which consisted of 15-16 pages) and was given an approval by the case manager for release. The board made their own decision, based on "nothing"?!?

### Five Important Questions

- 1.) The Board says they never add any conditions of release at your reviews is this true please comment?

They add conditions when ever they feel like it, even if they don't apply to your case or judgement in any way. They set you up to fail by making it very hard to live in the real world. Plus they will tell you one thing and write down another.

- 2.) The Board says they don't flop you for more than 3 years. If you were flopped 3 years or more please comment?

- 3.) The Board says they parole 500 prisoners a year, when they send you to PRC, Watch, Nexus, Elkhorn how long does the process take before you leave MSP? Also if they say parole upon completion of ITU or SO

treatment how long does it take to get into any of those classes? If the program accepts you, it can still take 2-3 months before you get there. Programs are quicker in regionals, but it could still be anywhere from 1-3 months before you get started.

- 4.) The Board and DOC say you go to parole school and they help you put together a plan they also say you have a mock hearing to get you prepared. Ed Foley said he or IPPO goes to your hearing with you and after your hearing Ed or IPPO explains to you what just happened in there. Is any of this true please

comment on your experience? I have never had any of this happen. I have always had to do everything myself and then submit it to them. And I have never even heard of a mock hearing. Ed Foley can't even answer his offender/staff request forms if you have any questions

- 5.) The Board says you and your families and witnesses can testify at your hearings and that all of you are treated fairly and with respect please comment?

The current chairman disrespects anybody that's not on his side of the table. He looks down on supporters cause he wants us to fail and stay in the system. The Board doesn't know the meaning of rehabilitation. When you have great support, they flop you, when you have nothing they kick you out on furlows!
